What concerns do you have about this experience/trip? \_\_\_\_\_

Meetings held for this trip will be mandatory. It is our intent to set up meeting times that will be conducive to all who are going. You must attend or be a part of all fundraising efforts toward this trip. A portion of this trip will be out of pocket expense. The more we can make at the fundraiser events, the less out of pocket expenses each participant will have to put forth. 6-9 students will be chosen for this trip. Summer semester consideration is important to keep in mind.
